|------------------------------|-------------------------------------------------------|
| Teilenummer                  | PQ20WZ1UJ00H                                          |
| Hersteller                   | Sharp Microelectronics                                |
| Beschreibung                 | IC REG LDO ADJ 1A SC63                                |
| Kategorie                    | Integrierte Schaltungen (ICs) > PMIC-Spannungsregler- |
| Teilstatus                   | 55258 pcs Stock                                       |
| Spannung - Ausgabe           | 3 V ~ 20 V                                            |
| Spannung - Eingang           | 3.5 V ~ 24 V                                          |
| Spannung - Aussetz (typisch) | -                                                     |
| Supplier Device-Gehäuse      | SC-63                                                 |
| Serie                        | -                                                     |
| Reglertopologie              | Positive Adjustable                                   |
| Verpackung                   | Tape & Reel (TR)                                      |
| Verpackung / Gehäuse         | TO-252-6, DPak (5 Leads + Tab)                        |
| Betriebstemperatur           | -20°C ~ 80°C                                          |
| Anzahl der Regler            | 1                                                     |
| Befestigungsart              | Surface Mount                                         |
| Strom - Ausgabe              | 1A                                                    |
| Strom - Grenze (min)         | -                                                     |
