| Spezifikationen                   |                                                      |
|-----------------------------------|------------------------------------------------------|
| Artikelnummer                     | PIC18LF2331T-I/ML                                    |
| Hersteller                        | Micrel / Microchip Technology                        |
| Beschreibung                      | IC MCU 8BIT 8KB FLASH 28QFN                          |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettet -        |
| Teilstatus                        | 2608 pcs Stock                                       |
| Spannung - Versorgung (Vcc / Vdd) | 2 V ~ 5.5 V                                          |
| Supplier Device-Gehäuse           | 28-QFN (6x6)                                         |
| Geschwindigkeit                   | 40MHz                                                |
| Serie                             | PIC® 18F                                             |
| RAM-Größe                         | 768 x 8                                              |
| Programmspeichertyp               | FLASH                                                |
| Programmspeichergröße             | 8KB (4K x 16)                                        |
| Peripherals                       | Brown-out Detect/Reset, LVD, Power Control PWM, QEI, |
| Verpackung                        | Tape & Reel (TR)                                     |
| Verpackung / Gehäuse              | 28-VQFN Exposed Pad                                  |
| Oszillatortyp                     | Internal                                             |
| Betriebstemperatur                | -40°C ~ 85°C (TA)                                    |
| Anzahl der E / A                  | 24                                                   |
| EEPROM Größe                      | 256 x 8                                              |
| Datenwandler                      | A/D 5x10b                                            |
| Kerngröße                         | 8-Bit                                                |
| Core-Prozessor                    | PIC                                                  |
| Connectivity                      | I²C, SPI, UART/USART                                 |
|                                   |                                                      |
