| Kategorie                         | Integrierte Schaltungen (ICs) > Logik - Gatter und |
| Teilstatus                        | 3000 pcs Stock                                     |
| Spannungsversorgung               | 2 V ~ 6 V                                          |
| Supplier Device-Gehäuse           | 14-SOIC                                            |
| Serie                             | 74HCU                                              |
| Verpackung                        | Tape & Reel (TR)                                   |
| Verpackung / Gehäuse              | 14-SOIC (0.154", 3.90mm Width)                     |
| Betriebstemperatur                | -40°C ~ 85°C                                       |
| Anzahl der Eingänge               | 6                                                  |
| Zahl der Schaltkreise             | 6                                                  |
| Befestigungsart                   | Surface Mount                                      |
| Max Propagation Delay @ V, Max CL | 14ns @ 6V, 50pF                                    |
| Logiktyp                          | Inverter                                           |
| Logikpegel - Low                  | 0.5 V ~ 1.8 V                                      |
| Logikpegel - Hohe                 | 1.7 V ~ 4.8 V                                      |
| Eigenschaften                     | -                                                  |
| Strom - Ruhende (Max)             | 2µA                                                |
| Strom - hoch, niedrig             | 5.2mA, 5.2mA                                       |
