|-----------------------------------|------------------------------------------------------|
| Artikelnummer                     | LFEC3E-5T100C                                        |
| Hersteller                        | Lattice Semiconductor                                |
| Beschreibung                      | IC FPGA 67 I/O 100TQFP                               |
| Kategorie                         | Integrierte Schaltungen (ICs) > Eingebettete - FPGAs |
| Teilstatus                        | 2600 pcs Stock                                       |
| Spannungsversorgung               | 1.14 V ~ 1.26 V                                      |
| Gesamt-RAM-Bits                   | 56320                                                |
| Supplier Device-Gehäuse           | 100-TQFP (14x14)                                     |
| Serie                             | EC                                                   |
| Verpackung / Gehäuse              | 100-LQFP                                             |
| Betriebstemperatur                | 0°C ~ 85°C (TJ)                                      |
| Anzahl der Logikelemente / Zellen | 3100                                                 |
| Anzahl der E / A                  | 67                                                   |
| Befestigungsart                   | Surface Mount                                        |
